Out of the 1,258 UCSD students who went abroad to study in the 2009-10 academic year, 4 students were from the Japan Studies Department. From your department 4 were undergraduates and zero were graduate students. Details about the types of programs in which your students participated are presented below.

Academic Integration
The Programs Abroad Office continues to work with departments on the comprehensive integration of study abroad programs and courses into the curricula. This is especially true for students in those fields who have traditionally not thought of study abroad as a viable option. The Programs Abroad Office conducted a survey of 1 Japanese Studies major who participated in study abroad programs over the past five years to better understand their academic integration needs.

Did you take courses in your major while studying abroad?

- NO 0%
- YES 100%

If yes, did you expect to receive credit in your major for courses taken abroad?

- NO 0%
- YES 100%

Did you actually receive credit in your major for courses taken abroad?

- NO 0%
- YES 0%
- NOT YET 100%
Out of the 2,591 international students on campus during the 2009-10 academic year, the Japan Studies Department had 1 international student. International students in the department represented 1 country. The top country of origin is represented below.
