What is OPT?

- Optional Practical Training (OPT) is a benefit of the F-1 student status.
- OPT is work authorization for employment in a position in your field of study.
- OPT is valid for up to 12 months (with a possibility of extension for STEM majors).
- During the OPT period, you maintain F-1 student status.
When am I eligible for OPT?

There are two types of OPT:

Pre Completion OPT
This type of OPT is used during a students annual vacation and at other times when school is in session OR while school is in session provided that the training does not exceed 20 hours per week. **However, it is recommended that students use Curricular Practical Training (CPT) instead of Pre Completion OPT. Learn more about CPT on the ISPO webpage, at cpt.ucsd.edu.**

Post Completion OPT
1. You must have been lawfully enrolled on a full-time basis for at least one academic year (3 quarters) on the same SEVIS number.
   - **NOTE:** You may count the time spent in a study abroad program toward the academic year requirement as long as time spent outside the USA was not more than 5 months. In addition, you may use time spent in another immigration status (e.g. E-2, H-4, etc…) to fulfill the academic year requirement.

2. You must be completing a higher degree level (BA/BS, MA/MBA, PhD) within the next 90 days OR you must not have completed your degree more than 60 days in the past.
What is required of my job while I am on OPT?

• A job offer is not required when you apply for OPT. However, you must find employment within 90 days of the start date of your OPT.

• Once you do get a job, it must be directly related to your major field of study.

• The employment can be full time or part time (no less than 20 hours per week) and it can be paid or unpaid.
  • You can have multiple employers at one time so long as your total working hours are not more than full time.
When do I apply for OPT?

The application for Post-Completion OPT must be **received** by USCIS:

- *No earlier than 90 days before* program completion
- *No later than 60 days after* your date of completion

Instructions: OPT Application Process

STEP 1: Request your OPT I-20

☐ Complete the OPT Request Form

☐ You will complete the top half of the request form and sign.

☐ Your academic advisor or graduate coordinator will complete the bottom half of the request form and sign. Confirm your expected completion date with your academic advisor (undergraduate students) or graduate coordinator (graduate students).

☐ Submit the completed and signed OPT Request Form by e-mailing to OPTRequest@ucsd.edu.

If you will be taking less than 12 units for your final quarter (Reduced Course Load for Half Time or Part Time Status), you must receive the RCL approval before applying for OPT.

**PhD students: If you will be on Filing Fee for your final quarter, you must submit your Filing Fee Approval with your OPT I-20 Request**
What is the “Requested OPT Start Date”?

- This is the date you are requesting to begin your OPT.
- You may choose a start date anytime from the day after your graduation up to 60 days later.
- Please reference Slide 6 for exact dates based on your Expected Completion Date.
- The Requested OPT Start Date will be notated on page 2 of your OPT I-20.
- The Requested OPT End Date is one year (365 days) after your Requested OPT Start Date.

Once USCIS receives the OPT Applications, you are not able to adjust your Requested OPT Start Date.
What is the “Expected Completion Date”?

- The “Expected Completion Date” is the date you will complete your academic degree.
  - Undergraduate Students: This is the last day of the quarter in which your academic requirements are completed.
  - Graduate Students: This is the last day of the quarter in which your academic requirements are completed OR the Comprehensive Exam or Thesis/Dissertation Defense date.

Your Program End Date on your OPT I-20 will be updated to reflect your accurate Expected Completion Date.
Instructions: OPT Application Process - STEP 1: Request your OPT I-20

Please be aware of the required processing times:
• ISPO processing time = 10 business days
• USCIS processing time = 90 days

Example: Spring 2018

You can submit your OPT Application to USCIS within this 5 month window: up to 90 day before your program end date and up to 60 days after your program end date. Any applications received outside of this 5 month window will be automatically denied.

Your OPT Requested Start Date must be within your 60 day grace period.
**Example 1:** Aia is completing her program on 06/15/2018 (Spring 2018 Quarter). She submits her OPT Application to USCIS on 04/10/2018 with a requested start date of 08/01/2018. She receives her EAD Card 90 days later, on 07/10/2018. Aia cannot begin working until her official OPT Start Date of 08/01/2018. Her end date is 07/31/2019.

Aia can submit her OPT Application to USCIS within this 5 month window: up to 90 days before her program end date and up to 60 days after her program end date. Any applications received outside of this 5 month window will be automatically denied.

Aia’s OPT Requested Start Date must be within her 60 day grace period.
Example 2: Peter is completing his program on 06/15/2018 (Spring 2018 Quarter). He submits his OPT Application to USCIS on 06/05/2018 and requests the start date of 08/13/2018. He receives his EAD Card 90 days later, on 09/05/2018. Peter cannot begin working until he receives his EAD card on 09/05/2018. His end date is 08/12/2019 because the OPT End Date cannot be more than 14 months after the program end date. Therefore, Peter has 11 months of OPT instead of 12 months (09/05/2018-08/12/2019).
Instructions: OPT Application Process - STEP 1: Request your OPT I-20

After 10 Business Days you will receive an e-mail to pick up your OPT I-20.

Check Your OPT I-20 for Accuracy

Start and End Dates
These are the dates that you wrote on the OPT Request Form. The OPT I-20 issued by ISPO shows the requested OPT status because USCIS adjudicates (approves) your OPT Application request.

Full/Part Time
If you are applying for Post Completion OPT, this will show “Full Time” requested.

Type of OPT
Be sure the type of OPT is Post Completion OPT unless you have met with an advisor and discussed applying for Pre Completion OPT.

Travel Endorsement
Check for ISPO Advisor signature. Your Travel Signature is valid for 6 months during OPT instead of 12 months.
