

FREE TO LOW-COST IMMIGRATION LEGAL SERVICE PROVIDERS IN SAN DIEGO COUNTY

UC San Diego undocumented students and students of mix-status families have access to free immigration legal services through the UC Undocumented Legal Services Center. If you would like to get an appointment with one of their immigration attorney, contact Daniel Alfaro at d1alfaro@ucsd.edu.

In addition to the services offered through the University of California, there are community agencies you have the option to access. Most of the agencies on this list offer DACA and Citizenship services, but they also specialize in other immigration services such as family petitions, visas, VAWA, adjustment of status, etc. If you have questions about these additional services, please contact the agency directly. These agencies are not affiliated with the University of California and may have fees associated with their services.
