VISION

An inclusive and globally-engaged University community where all international students achieve their academic, personal, and professional goals.

MISSION

We will enrich the academic, research, and intercultural experiences of international students, provide the highest levels of knowledge and expertise in advising and immigration services within a welcoming and supportive environment, and advance global education and engagement efforts, in partnership with campus departments and units, at UC San Diego.

CORE VALUES

- Inclusion: Embrace global perspectives and cultivate distinct opportunities to grow our understanding of the diverse communities in which we live, learn, and work.
- Empowerment: Ensure student access to information and growth opportunities for skill, leadership, and personal development.
- Supportive: Provide the highest quality of services, advocacy, and support based on everyone's unique needs and goals.
- Expertise: Be knowledgeable about policies, regulations, and trends in international education. Develop and implement best practices from theory, research, and experience. Be leaders in the field.
- Collaboration: Build and strengthen partnerships across our campus and around the world to effectively share knowledge and perspectives and maximize resources in pursuit of common goals.
- Innovation: Constantly seek creative opportunities to improve efficiency, embrace technology, be agile to meet changing needs.
- Data-Informed: Focus on meaningful impact and building a culture of measurement and continuous improvement.

CORE SERVICES & PROGRAMS

1. Immigration and non-academic advising to international students before, during, and after program of study. Includes advisement on maintaining and extending legal status, travel/reentry, employment, changing immigration status, as well as advising on legal status, employment, and other matters for dependents.
2. Oversee the F-1 Student Exchange & Visitor program, issuing F-1 and J-1 visa and status documentation to international undergraduate, graduate, and non-degree students.
3. Liaise with federal agencies such as U.S. Departments of Homeland Security and State, maintaining UC San Diego compliance requirements with regards to internationals as mandated
in regulations issued by these agencies, and advocate on behalf of our international students and their dependents.

4. **Serve as primary authority on immigration matters related to international students** for the campus and provide subject matter expertise to all inquiring departments and units.

5. **Cross-cultural adjustment advising and programs** to international students and their dependents. Includes advising on matters of academic success, health and wellness, student life, social integration, career development/planning, housing, social security cards, driver’s licenses, taxation, personal issues, and university resources.

6. **On-boarding, transition, orientation, and first-year experience programs** to aid in retention and help international students successfully integrate into the UC San Diego and greater communities and ensure that opportunities are available for them to achieve academic, personal, and career success.

7. **Training and support for campus administrators, departments, and campus units** related to full-time enrollment and employment authorization for all international students, and conduct intercultural communication training for faculty, staff and student leaders.

8. **Collaborate with campus units and departments to advance global education efforts**, foster global understanding, enrich the experience of the international and domestic communities, and promote campus diversity initiatives.
