Re: Support Letter for International Travel to Attend
Commencement

UC San Diego Commencement June 17-18, 2023

This letter is to provide support for international students requesting to travel to the U.S. to attend the Spring 2023 commencement ceremony on Saturday, June 17th through Sunday, June 18th at the University of California San Diego. This letter is meant as a supplement to additional documentation the student may provide verifying the completion of degree requirements and invitation to the commencement ceremony.

The International Students & Programs Office supports the student's request to travel to the U.S. with the appropriate visa, travel documentation, and within the travel regulations to attend the commencement ceremony, a culmination and celebration of many years of perseverance and hard work. We respectfully ask that the student's travel request be considered.

Sincerely,

A handwritten signature in blue ink that reads "G. Hoffmann".
