General Temperatures

- Very Cold: below 50°F
- Cold: 50 – 65°F
- Warm: 65 – 72°F
- Hot: 72 – 80°F
- Very Hot: above 80°F

- Make sure to layer to easily adjust to the cold/hot changes!
- Always have a pair of sunglasses and sunscreen with you.

Weather Trends in San Diego

- Inland areas are warmer than coastal areas.
- Temperatures can decrease drastically during the night.
- Mornings, especially by the coast, can be foggy and cool, but the weather warms up as the day progresses.
- Rainy days can be very unpredictable, but usually wetter season lasts from November to March, sometimes May and early June.
- Hottest season is August – September.

Friendly Reminder: Celsius vs Fahrenheit

**Freezing:** 0 degrees Celsius or 32 degrees Fahrenheit

**Boiling:** 100 degrees C or 212 degrees F

1 degree Celsius is 1.8 times larger than one degree Fahrenheit

**Tip!** Temperature in Fahrenheit = Temperature in Celsius x 1.8 + 32
General Tips

- Sometimes feet can be expressed as ‘ and inches as “’. For example, if someone is 5 feet 4 inches tall, it may be written as 5’4”.
- If you want to order a beverage, the 12oz drink would usually be a small, 16oz is medium, and 20oz is large.
- Mattresses in the dorm are usually Twin XL or Extra Long Twin. The dimensions are 38in x 83in.
- Sizes for clothes and shoes are also different in the U.S.! Check out this website for helpful conversions.

Conversions

- 1 mile (mi) = 1.6 kilometers (km)
- 1 foot (ft) = 12 inches (in) = 30 centimeters (cm)
- 1 inch (in) = 25 millimeters (mm) or 2.54 centimeters (cm)
- 3 feet (ft) is almost exactly 1 meter (m)
- 1 kilogram (kg) - just over 2 pounds (lbs)
- 1 pound (lb) = 454 grams (g)
- 1 ounce (oz) = 28 grams (g)
- 1 gallon (gal) = 3.79 liters (L)

A commonly used abbreviation, MPH, means miles per hour
Plugs and Sockets

US plugs and socket types are **Type A and Type B** as shown on the image on the left.

The standard voltage is **120 V**, but electric appliances that range from **110 – 127 V** will work too.

If you plan to live on campus, check out the [UCSD Housing and Residential Life Policies](#) for detailed requirements on appliances, extension cords, and more.

**Summary**

- Make sure you have a **plug adaptor** if the plugs on your electronics are not **Type A or B**.
- If the voltage on electronic appliances from your home country exceeds **127 V**, it may be easier to purchase some items in the U.S., or you will need to get a **voltage converter**.
- Fun Fact: The word “**outlet**” is also used to talk about **shopping centers or malls** that sell items for a reduced price.

TRANSPORTATION

UC San Diego
Chinese Union has been hosting an airport pick-up program for several years. “In order to help more students arrive to campus more smoothly, we will host pick-up services at LAX and SAN from September 11th-19th. This service starts at $12 for San Diego (SAN) pick-up and $35 for LA (LAX) pick-up, paid through Venmo or Chase/Zelle. According to the COVID-19 health and safety protocol, we have also upgraded our services in terms of health protection. We hope all students can arrive to campus and enjoy UC San Diego community safely through our pick-up program.”

OFF-CAMPUS HOUSING

UC San Diego
On-Campus Housing Update

As of July 2021, every undergraduate bed on-campus has been filled. Housing, Dining and Hospitality (HDH) typically receives cancellations throughout the summer and Fall Quarter. As spaces become available, they will be offered to students on the housing waitlist. Since HDH are not able to predict how many cancellations it will receive throughout the summer, students are strongly encouraged to consider off-campus housing options.

Off-Campus Housing—Trends & Considerations

• Vacancy rates are very low in San Diego, and it may take some time to find an apartment. The largest number of vacancies come up in June-September. It is recommended that you join the apartment complex’s waitlist.
• Living in San Diego, especially in La Jolla, is very expensive, and it is important to set a realistic budget before beginning to look for a place to live.
• Be prepared to pay a security deposit equal to one month’s rent (which may be refunded upon leaving) in addition to the first month’s rent.
Continuing Students Options

- **The Village at Pepper Canyon**: A community of apartments and residence halls designed especially for continuing students. The neighborhood consists of Camp Snoopy Residence Halls, Matthews Apartments, Pepper Canyon Apartments, and the Rita Apartments. This unique community is conveniently located near the new mass-transit trolley that is currently under construction. The Rita Apartments are located within walking distance of shopping and restaurants.

- **UC San Diego Graduate and Family Housing**: Consists of seven apartment complexes: Mesa Nueva, Nuevo West and Nuevo East, Coast Apartments, La Jolla Del Sol, Mesa Residential Apartments and One Miramar Street. Students eligible to live in a Graduate and Family Housing community are Full-time Graduate and Professional Students (i.e. enrolled in 12 units or more throughout the lease term), Graduate, Professional, and Undergrad Students with Children and Full-time Undergraduate Student Couples.

Resources

- **UC San Diego Off-Campus Housing Directory**
  - A rental referral and housing information resource center with listings of apartment, house, and condominium rentals, available in a variety of areas around campus and the San Diego community. Roommates and room rentals are listed online.

**SHORT-TERM HOUSING OPTIONS**

**Homestay Programs**

Live with an American host family. Private and shared rooms available. **Apply at least 4-6 weeks before arrival.** Homestays are a great way for students to experience American culture and customs!

**Solana Beach Homestay Program:** Would you like to be matched with an American family who volunteers to help newly-arriving international students at no cost? The Solana Beach Host Family Program has been making this possible for 16 years. Please visit our website using [this link](#).

**Temporary Housing Providers**

These companies own and manage apartments in the local area and can help place you in their temporary or extended-stay accommodation. Additional costs for these services may apply. See websites for more information.

**Hotels**

There are many hotels with special **UCSD-affiliate discounts** near UC San Diego. Some are within walking distance of UC San Diego. When calling for reservations, ask for the UCSD rate for a discount.

**Youth Hostels**

Youth hostels in the San Diego area are far from UC San Diego but offer dormitory-style housing at a **lower rate than hotels.** Some have kitchen facilities.

**Short-Stay Rentals**

Please note you can also use popular sites such as [AirBnB](https://www.airbnb.com) and [Vrbo](https://www.vrbo.com) to find short-stay rentals. Please keep in mind that in addition to the rent fee you would have to pay other fees like cleaning.
Be aware of housing scams, particularly on websites like Craigslist! Signs of a scam targeting renters can include the following:

1. The advertised price of the rental property is much lower than that of similar properties.
2. The person trying to rent you the property claims to be an agent for the property owner who is too busy, out of the country, or otherwise unavailable to handle the rental.
3. The owner or agent requires you to sign the lease before you see the rental property.
4. The owner or agent isn’t able to let you enter the home or apartment or charges you a fee to view it.
5. You’re asked to wire money as a deposit or payment of first and last month’s rent. Remember wiring money is the same as giving cash. You can’t get a refund, even if you find out the offer was a fraud.
6. The owner or agent uses high pressure sales tactics, urging you to rent quickly, before someone else gets the property.
7. The person preparing the lease writes in a higher monthly rent or additional fees that you hadn’t agreed upon.
8. The landlord directs you to a website to get a free credit check. This can be a tactic for harvesting your identity. Only disclose this information on a written application after you have seen the property.

Consult with UCSD Student Legal Services if have any questions about a property you are renting/would like to rent.

FALLEN STAR, SNAKE PATH, AND A BEAR, OH MY!

The UC San Diego campus is filled with interesting landmarks and viewpoints. Join Danny, a curious young lad, finds himself on an adventure to encounter art pieces from the Stuart Collection, such as Do Ho Suh's Falling Star, Alexis Smith's Snake Path, and Tim Hawkinson's Bear.

Check out the video on our IGTV (@ispo.ucsd) or by clicking below!

Learn more at stuartcollection.ucsd.edu
FALLEN STAR (2012) BY DO HO SUH

Location: Jacobs Hall

- Do Ho Suh’s work explores the notions of home, cultural displacement, one’s perception of space and how one builds a memory of it. These explorations grew out of Suh’s experience when he arrived in the U.S. in the early 90's to study at the Rhode Island School of Design.
- The Fallen Star is a sheer fabric replica of Suh’s home in Seoul and his American apartments.

Have you ever felt like you are in the right place where you want to be, but things still feel a bit off? Your dream career is just a touch out of color from what you thought it was going to be like? This is similar to what Do Ho Suh was feeling when recreating an almost exact replica of his home in Seoul but setting it off-balance teetering off the edge of a building.

The best way to experience this piece is making your way to the rooftop and walking into Fallen Star. The entire room is tilted ever so slightly to ensure for a mixture of home-ly comfort yet off-kilter instability.
SNake Path (1992) by Alexis Smith

Location: near the Geisel Library

- Snake Path consists of a winding 560-foot-long, 10-foot-wide footpath in the form of a serpent, whose individual scales are hexagonal pieces of colored slate, and whose head is inlaid in the approach to the Geisel Library. Along the way, the serpent's slightly crowned body circles around a small "garden of Eden" with several fruit trees including an apple, a fig and a pomegranate.

What comes to your mind when you think of what the word "paradise" means to you? Alexis Smith tackled this notion with the creation of Snake Path, a large walkway that serpentinates up the side of the hill towards Geisel Library.

In working with the idea of a "movement towards knowledge" that one would do when going towards the site of the library and the potential for breaking away from the comforts of ones' own understanding of their world, or paradise, Smith deliberates on this idea of ignorance is bliss and what happens when leaving from that in the pursuit of knowledge.
BEAR (2005) BY TIM HAWKINSON
Location: Academic Courtyard
(formed by Atkinson Hall of the California Institute for Telecommunications and Information Technology, the Computer Science and Engineering Building, and the Powell-Focht Bioengineering Hall)

- The Bear is 23’6” feet high and weighs 180 tons as it is constructed out of 8 granite stones and pushes the bounds of credibility.
- The Bear has inspired many students who have given it Valentines’ Day “heart glasses”, an entire crew team uniform, and a “Beary Potter” costume.

Have you ever had a small plush teddy bear when you were younger? How would you feel if you were to encounter that same bear but scaled up to the size of a building and made out of stone?

Playfully working with these concepts, Tim Hawkinson’s Bear statue entices the viewer to look with awe at an almost fantastical structure that seems to break all conventions of scale.

Getting Set Up in the U.S.

UC San Diego
How to Set Up a U.S. Bank Account

- In the United States, it is customary to use checks and credit cards rather than using cash because it is easier and safer.
- Most banks are open Monday through Friday from morning until mid-afternoon, and some are also open Saturday mornings.
- Upon opening an account, a “cash machine” or ATM card will be offered in order to get money out of the account at any hour, day or night. These cards can be used at automated teller machines (ATMs) all over the world.

The two main types of bank accounts:
- **Checking accounts** allow you to make purchases, pay bills, write checks, or transfer money.
- **Savings accounts** offer a place to keep larger sums of money and earn interest.

Common Banking Options

- Chase*
- USE Credit Union*
- Bank of America**
- Citibank
- Wells Fargo
- San Diego County Credit Union

- Study up on the location of Automatic Teller Machines (ATMs) to make sure they are near campus. You’ll pay fees if you use an ATM that is outside your bank’s network!

For More Details, Visit ISPO’s Financial Resources Page Here
What You Need

- 2 valid forms of identification (passport & UC San Diego identification card are usually sufficient)
- Local mailing address to receive mail
- At least $25 (Depending on your account, there will be a monthly service charge unless a “minimum balance requirement” is maintained.)

Check the bank requirements! Here are some optional documents that the bank may ask you about:

- Social Security Number (SSN) (NOT ALL banks require a Social Security Number, however, bank services may be limited if you don’t have a SSN.)
- Proof of a local address (e.g. apartment leasing agreement or bills)
- Government forms related to your domestic studies and a letter proving you are enrolled in university (I-20, I-94, DS-2019)
- Letter of Employment from UCSD (if you are going to be a TA)

- Read the documents carefully and ask if the bank has any “hidden” fees, especially those for international transfers.
- Make an appointment ahead of time.

Apps for Money Transferring

- Need to transfer money between bank accounts or send money to a friend to cover the cost of dinner? Money transferring apps can come in handy! Here are some you may find helpful:

  Venmo  Zelle  PayPal  Cash App
How to Set Up a U.S. Phone Account

Cell Phone Plan vs SIM Card

- **Cell Phone Plan** – paid monthly contract with a mobile carrier company that covers phone calls, text, and cellular data as well as a purchase of a cell phone.
- **SIM Cards** - can be purchased for *unlocked* phones. Prepaid phone plan works very similarly to a monthly plan but on a pay-as-you-go system.
- Another option is **Campus SIMS**. Campus SIMs is offering free SIM cards to students to help connect you with mobile phone service in the United States (U.S.). Plans start at $15/month and you can get your U.S. phone number before you leave your home country. Click here to get your free SIM card mailed to you, so can use your phone as soon as you arrive in the U.S. For more information, visit campussims.com.

Common Providers & Things to Keep in Mind

- Compare plans and services before settling for a vendor. You can checkout this **WhistleOut tool** to compare plans.
- Getting a cell phone plan in the U.S. requires a Social Security Number and a Credit Score.
- You may not need to set up a U.S. phone account IF your current carrier has international roaming options. Check with your current phone carriers to see if there are roaming plans available!
- How much data do you need? What is your budget?
- Does your cell phone work overseas? Which Mobile Network Operator will your phone work with?
GETTING A GOVERNMENT ISSUED PHOTO ID

What is a government issued photo ID?
A government issued photo ID is an official document that includes your picture and personal information such as full name, date of birth, address, and more. This can be a driver’s license, a state issued photo ID, or a passport.

Why do people get a government issued photo ID?
It can be used for local transactions where an identification is required such as purchase of alcohol. It is a convenient alternative to carrying a passport with you.

What’s the difference between an ID Card and a driver’s license?
Unlike a driver’s license, you cannot use your state issued ID Card for driving. In California, the Department of Motor Vehicles (DMV) oversees issuance of driver’s licenses & state issued photo ID cards.

What is a REAL ID?
REAL ID is a driver’s license or ID card that is also a federally accepted form of identification. For example, it can be used to fly within the U.S. The REAL ID Cards are marked with a gold bear and a star. The state of California is transitioning into only using REAL ID cards by May 3, 2023. Please note that a REAL ID is used for photo identification and is not evidence of legal presence in the U.S.
What you need to do get an ID Card:

- Make sure your SEVIS record has been activated
- Complete an **ID Card Application**.

**DOCUMENTS**

- Valid I-20 Form
- I-94 Record
- Original Passport
- Social Security (SSN) Card or Social Security Denial (Form SSA-L676)
- Residency documents (have to show your name and the address where you reside, usually need 2 different types of documents. See DMV website for more detail)

- Debit/credit card or cash to pay the application fee (about $33)

What to expect at the DMV:

- Some services do not require an appointment and you can just walk in, check the DMV website for information.
- Once a staff member looks over your documents, you will be given a number. When it is your turn to approach the window, your number and the window number will appear on the screen. *(Fun Fact: Different letters that are part of your “number” are associated with different services. The numbers and letters are not called in a sequence!)*
- DMV can be a bit slow, be patient and **set aside at least 2-3 hours** to go to the DMV.
- You will be asked to provide a thumbprint and a signature as well as take a picture as part of the process. *(Please note that this may be different if you are applying for the driving license.)*
- The ID card will be mailed to you. In the meantime, the DMV will give you an official paper that acts as your ID.

BILLING

Coming to

UC San Diego
Introduction

- Every student has a student account that is automatically set up by the Office of the Registrar and managed by the Student Financial Solutions (SFS) when you enroll. Any charges due will be billed to your UCSD student account. This is also where you can find the E-Bill for your tuition! (Note: You will not receive a paper bill.)
- To access your UCSD Account, click here.

Graduate Student Billing

- Payment methods are the same as undergraduate students.
- Depending on your department, you will have received an Awards Summary listing the type and amount of funding you have for each academic year, i.e. Teaching Assistantship (TAship) funding, stipends, etc.
- Graduate students may also be arriving to UCSD with funding from American organizations such as National Science Foundation (NSF) or government organizations from their home country.
- Your home department will have a graduate advisor/coordinator who will provide set-up paperwork for direct deposit and other documents to be signed when classes start.
- Please note that for graduate students with TAship roles, their first paycheck will be deposited November 1st. If you encounter any financial challenges due to this first pay period, you may be eligible for a temporary loan which requires your Graduate Advisor’s signature.
PAYMENT OPTIONS

E-Check
- Only your personal checking account will work with E-Check
- Set up a profile: Store account information as a payment profile for easier payments in the future

Credit Card
- For instructions on how to make a payment via a credit card, click here.

Third Party Billing
- Please note that International Students & Programs Office (ISPO) facilitates invoices for international undergraduate sponsored students. For more information, visit this website.
- Sponsored students are those who are enrolled at UC San Diego, and require direct billing to an outside agency (public or private sector sponsor including: military agency, educational institution, and international embassy) for tuition and mandatory fees.
- Check out this infographic for paying via third party sponsorship

REGISTER FOR INTERNATIONAL ORIENTATION!

As a newly admitted international student, you are required to attend New International Student Orientation designed to help orient you to the UC San Diego campus community, inform you of your F1/J1 Rights & Responsibilities, and give you an opportunity to connect with other new international students! Attending ISPO’s orientation is mandatory in addition to any of your college or department orientations (Note: UCEAP students are not required to attend their college orientation).

In order to register for New International Student Orientation, it is mandatory to sign up for 2 sessions in September:

one required session + one optional session of your choice!

- **Required Session**: It must be a "Know the Rules" session that is relevant to your situation (e.g. if you are inside or outside the U.S.). These sessions are listed with the "Required" icon.

### Pros & Cons of Modes of Transportation

#### Walking

**“Walk it out.”**

<table>
<thead>
<tr>
<th>PROS</th>
<th>CONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>No equipment needed to get around.</td>
<td>You might need to jog a bit if your classes are far apart and the time gap is small!</td>
</tr>
<tr>
<td>Great daily exercise!</td>
<td>Campus is located on coastal hills. You may find yourself walking up inclines.</td>
</tr>
</tbody>
</table>

#### HELMETS & SIGNS

- Falling sucks! For transportation options faster than walking, you should wear a helmet! Get one at a big discount through the [Helmet Access Program](#).
- Get discounts by joining the [Rider Reward Program](#).
  - UC San Diego Bookstore – 10% off entire purchase on Fridays
  - 10% off Taco Villa and other participating merchants!

---

Keep an eye out for signs:
Personal Bike
“Hop on a seat and pedal with ease.”

**PROS**
- Move faster around campus with less effort put in.
- Can tackle hills, both up and down!
- Bike lanes and bike paths are found throughout campus!

**CONS**
- Need to have good balance (and know how to ride a bike)
- Need to spend the money to purchase a bike, whether new or second hand. *(Check out Campus Bike & Skate store for discounts & equipment!)*
- Difficult to use when roads become more crowded.
- Bikes are not allowed in certain areas, such as Library Walk and Ridge Walk during crowded hours.
- Bikes get stolen on campus. Use a U-Lock and attach to wheels and frame.
- Thousands of bikes get abandoned on campus which generates waste. Please consider Spin Bicycles!

SPIN Bicycles
“*The benefits of a bike without the hassle of ownership!*”

**PROS**
- Move faster around campus!
- Utilize bike lanes which increase options.
- Flexible parking options. Much easier to lock. *(Be responsible when locking. Do not leave bike in pathways.)*

**CONS**
- Costs a fee to activate and for the duration of the trip.
- Some bikes may be in poor condition.
- Can compromise your safety and the safety of others. Use responsibly and don’t speed!
Skateboards, Longboards, & Scooters
“Traverse the concrete.”

<table>
<thead>
<tr>
<th>PROS</th>
</tr>
</thead>
<tbody>
<tr>
<td>• More portable than a bike and faster than walking.</td>
</tr>
<tr>
<td>• Save time by bringing with you to classes—don’t need to lock.</td>
</tr>
<tr>
<td>• Scooters are easier to learn and ride compared to a skateboard.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>CONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Need to have good balance on Longboards &amp; Skateboards!</td>
</tr>
<tr>
<td>• Can be dangerous on hills. Learn to stop easily!</td>
</tr>
<tr>
<td>• For Longboards &amp; Skateboards, learn to stop by <strong>foot braking</strong>!</td>
</tr>
<tr>
<td>• Most Scooters come with <strong>hand brakes</strong> which are easier!</td>
</tr>
<tr>
<td>• Going up hills can be tiresome.</td>
</tr>
<tr>
<td>• Longboards &amp; Skateboards are not allowed on certain roads on campus!</td>
</tr>
</tbody>
</table>

**SPIN e-Scooters**
“Electrify your ride!”

<table>
<thead>
<tr>
<th>PROS</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Motorized so it is effortless and fast</td>
</tr>
<tr>
<td>• Comes with a very effective hand break.</td>
</tr>
<tr>
<td>• Park in one of the 8 new SPIN “geozones” or “charging hubs” to avoid scooter litter and receive monetary incentives!</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>CONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Costs a fee to activate and for the duration of the trip.</td>
</tr>
<tr>
<td>• Service reliability can get worse later in the day as scooters become placed in odd places or their batteries get drained.</td>
</tr>
<tr>
<td>• Very easy to forget to lock the scooter at the end of a ride, meaning you get charged for the time it is left going.</td>
</tr>
<tr>
<td>• You will meet the charge cap very quickly.</td>
</tr>

The Right Solution For You?

- The best solution will be the one that you are the most comfortable with and that can best work with your schedule.
- Get to know your routes around campus! Take a weekend to walk to each of your classes to get a feel for your pathing and make a decision accordingly.
- Keep your classroom locations in mind when creating your schedule—try to avoid transitions that have you running across campus in 10 minutes.
- Get rewarded with monthly gift card drawings and a chance to win a new eBike with the Triton Commuter Club.
IMPORTANT RULES

- Vehicle insurance may not cover you in the event of an accident.
- You are considered a motor vehicle and must follow the rules of the road.
- You **cannot ride doubles** on an electric scooter.
- You must wear a helmet on an electric board no matter your age.
- When driving an electric scooter, you **must have a learners permit or license**. For 18+ drivers, no helmet is needed on an Electric Scooter.
- You can't carry a bag in hand and attempt to ride micro-mobility.
- You cannot hold onto a motor vehicle.
- You cannot leave the scooter lying in the middle of the sidewalk.

ADVICE

- Operate at the micro-mobility device at a safe speed.
- Ride in the bike lane.
- **Obey all traffic laws as if you were in a car.**
- Stay off of Library Walk and Ridge Walk especially during hours that have heavy foot traffic.
- Remember that you do not automatically have the right of way.
- You must slow down for pedestrians.
- Do not operate the device above your skill level.
- Do not speed.

• **#1 – Be Safe!**
Shuttles

- Fixed-route service between campus shuttle stops.
- Here are some routes you may find most helpful:

  - **IL – Inside Loop**
    - Circles the main campus in a clockwise direction
    - Operates weekdays, 7 a.m. to 7 p.m.; Saturday and Sunday, 10 a.m. to 5:30 p.m.
  
  - **OL – Outside Loop**
    - Circles the main campus in a counterclockwise direction
    - Operates weekdays, 7 a.m. to 7 p.m.; Saturday and Sunday, 10 a.m. to 5:30 p.m.
  
  - **GL – Grocery Shuttle - La Jolla**
    - Connects the main campus and Mesa housing to La Jolla Square
    - Operates Saturday and Sunday, 10 a.m. to 5:30 p.m.
  
  - **GC – Grocery Shuttle - Clairemont/Convoy**
    - Connects the main campus and Mesa housing to the Clairemont/Convoy shopping area
    - Operates Saturday and Sunday, 10 a.m. to 5 p.m.

Mobility

- If you are a student, staff or faculty member with a disability, Triton Transit - Mobility can help you travel between ADA-compliant locations on the La Jolla campus via a wheelchair-accessible van or cart.

Also check out this easy car rental service on campus! Zipcar at UC San Diego
Dial-A-Ride Transit (DART) On-Demand

- Dial-a-Ride Transit (DART) is an on-demand service that transports passengers between Triton Transit shuttle stops on the La Jolla campus when fixed-route service isn’t running. It coordinates closely with the UC San Diego Police Community Service Officer program, (858) 534-9255, which can provide safety escorts on campus between sunset and sunrise.

Notice

- There is a nation-wide bus driver shortage, and UCSD is doing the best they can to hire more. **Students can apply to be a bus driver for $18/hour if they're going to be enrolled for the year.**
- Historically, the shuttle service sees the most volume in the first two weeks of the quarter while people navigate campus. Please be patient if you have to stand in line and miss the first two buses. Volume will go down as people figure out their schedules.

Getting around San Diego

**Metropolitan Transit System (MTS)**
- Catch a bus or a trolley anywhere in San Diego

**North County Transit District**
- Great option if you want to take a coaster to go up North

Download the **PRONTO App** to access the **Triton U-Pass** for Students and get UNLIMITED rides on all regional MTS and NCTD mass transit! The U-Pass is free for all undergraduate and graduate students.
