Traveling during **FALL BREAK**

Due to the continued concerns regarding the global pandemic, ISPO continues to **discourage students from international and domestic travel** if possible.

If you are considering traveling, be sure to review the latest **CDC Travel Notices**.

Keep in mind that countries can add or change travel restrictions, flights may be canceled, embassies and consulates may restrict visa services and new re-entry restrictions, or quarantines could be imposed.

Housing *and* DINING

**Residence Halls will be open
during Fall Break (Nov. 25 – 28)!**

See *available dining options* at
hdhdining.ucsd.edu/_files/Holiday-Dining-2021.pdf

COVID-19 RESTRICTIONS

Returning from Fall Break (Nov. 25-28), housing will go back to **Phase 1: students need to wear face masks within their residential unit** except within personal bedrooms or in the shower.

In addition, **all students**, regardless of vaccination status, will need to **test on arrival and on day 5**. Tests can be completed using vending machine test kits.

What **questions** do you have about Fall Break or Winter Break?
